## *Frequently Asked Questions*

*Q: What denomination are you affiliated with?*

*A: We're part of the Assemblies of God Fellowship. You can find our statement of truths here. [www.ag.org](http://www.ag.org) under the "Beliefs" tab.*

*Q: Are you a Bible based Christian Church?*

*A: Absolutely. We take the Word of God very seriously and our Pastors have dedicated their lives to proper understanding and teaching of the Scripture.*

*Q: What do you mean by Family Church? What is a Family Church?*

*A: We're a church of Christian Believers who are dedicated to the development and values of the traditional family, but who also understand that the contemporary family is often just as important, if not more important, to the people in them. As a "Family Church" we're committed to bringing both the traditional and the contemporary family together as a Spiritual Family.*

*Q: What kind of programs do you run for kids and families?*

*A: We tend to stay away from "programs" in the traditional sense, instead focusing more on what meets the needs of the individuals attending our church. To accomplish that we spend more time focusing on the kids in the services than the average church does. That said, we do have a Jr/Sr High Youth Ministry and a bi-weekly Children's Ministry.*

*Q: Are the pastor's available for questions and counseling?*

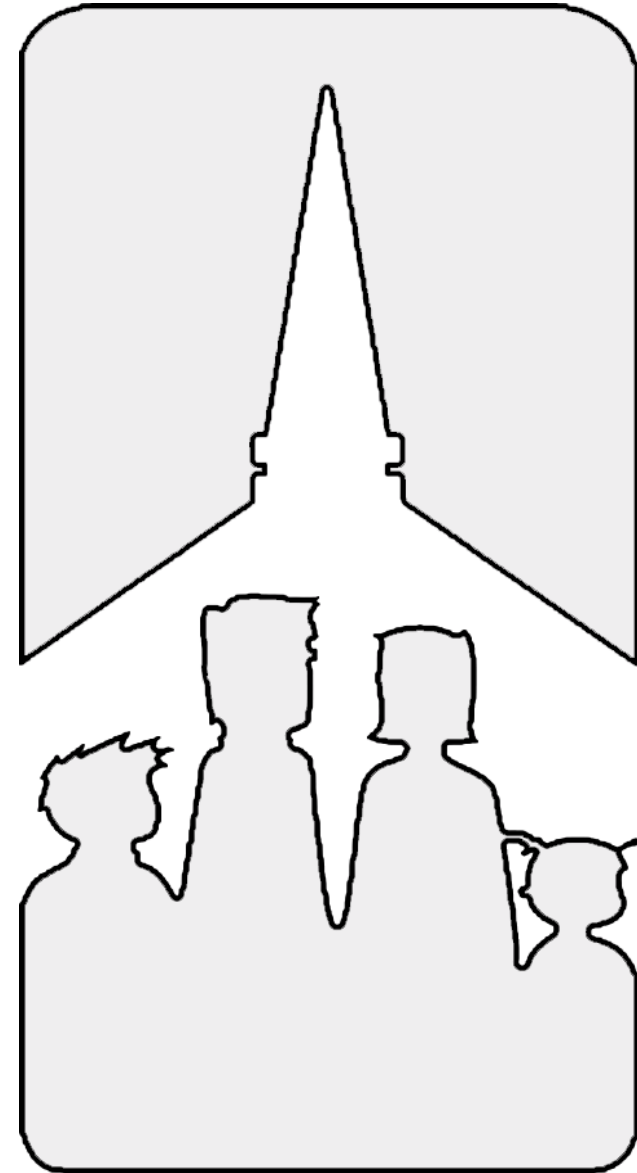

*A: Absolutely! Connecting with people is our calling. The Leadership here believes in Bi-Vocational ministry, which means they all have other jobs, but we will happily make every effort to connect with someone who wants some of our time.*

First off before I get too far into anything else, I want to take a moment to give some attention to our Mothers today. It is the day of the year that we set aside to give extra honor to the people who gave birth to us and those ladies who have spent their lives raising and shaping us to become the people we are.

Obviously, Mothers are a necessity for human existence. Can't have babies without them. But there is more that they are necessary for than just birth ... everyone needs a mom who is there for them. Who cares for them and nurtures them. And for those out there that fulfill the role of Motherhood we wish you the best and give you our deepest thanks.

And now, onto Judges ...

Leading God's people is a difficult thing. In fact, it may be one of the most difficult prospects imaginable. I mean, a leader of God's people is called to wrangle dozens of individuals, attempting to get them to behave in a way that is almost entirely opposite of basic human nature. And in order to lead them, the people need to be willing. They need to be willing to actively work against their own wants and desires to follow a way that often requires a great deal of fortitude and sacrifice. I can't imagine anything more difficult.

And the worst thing about it is ... the people often know it. And they more often drift away from or even actively rebel against it.

And that is the crux of the problem in the book of Judges. The Hebrews would follow the Lord as long as there was a leader making them follow the Lord. And the moment they were left to their own designs they drifted. And far too often they drifted quite far away.

So hang on, stick close, and follow what the Lord has called you to.
