Frequently Asked Questions

Q: What denomination are you affiliated with?

A: We're part of the Assemblies of God Fellowship. You can find our statement of truths here. www.ag.org under the "Beliefs" tab.

Q: Are you a Bible based Christian Church?

A: Absolutely. We take the Word of God very seriously and our Pastors have dedicated their lives to proper understanding and teaching of the Scripture.

Q: What do you mean by Family Church? What is a Family Church?

A: We're a church of Christian Believers who are dedicated to the development and values of the traditional family, but who also understand that the contemporary family is often just as important, if not more important, to the people in them. As a "Family Church" we're committed to bringing both the traditional and the contemporary family together as a Spiritual Family.

Q: What kind of programs do you run for kids and families?

A: We tend to stay away from "programs" in the traditional sense, instead focusing more on what meets the needs of the individuals attending our church. To accomplish that we spend more time focusing on the kids in the services than the average church does. That said, we do have a Jr/Sr High Youth Ministry and a bi-weekly Children's Ministry.

Q: Are the pastor's available for questions and counseling?

A: Absolutely! Connecting with people is our calling. The Leadership here believes in Bi-Vocational ministry, which means they all have other jobs, but we will happily make every effort to connect with someone who wants some of our time.

In the final section of James, the apostle encourages us to pray. "As a shoemaker makes shoes, so a Christian should pray." For the believer, prayer should be like breathing. It is natural, often unintended, communion with the Lord. Prayer is necessary for an effective Christian life. And like breath, ceasing can cause us to turn red and even pass out. I think we naturally pray when we feel out of control or when our comfort is threatened. Being uncomfortable drives us to our knees. Because of this, comfort is more of a threat to our relationship with God than blessing. For this reason, I think James reminds us that we should praise God when we are happy. It reminds us that life's joys are as much a gift as the difficulties.
