Frequently Asked Questions

Q: *What denomination are you affiliated with?*

A: *We're part of the Assemblies of God Fellowship. You can find our statement of truths here. www.ag.org under the "Beliefs" tab.*

Q: *Are you a Bible based Christian Church?*

A: *Absolutely. We take the Word of God very seriously and our Pastors have dedicated their lives to proper understanding and teaching of the Scripture.*

Q: *What do you mean by Family Church? What is a Family Church?*

A: *We're a church of Christian Believers who are dedicated to the development and values of the traditional family, but who also understand that the contemporary family is often just as important, if not more important, to the people in them. As a "Family Church" we're committed to bringing both the traditional and the contemporary family together as a Spiritual Family.*

Q: *What kind of programs do you run for kids and families?*

A: *We tend to stay away from "programs" in the traditional sense, instead focusing more on what meets the needs of the individuals attending our church. To accomplish that we spend more time focusing on the kids in the services than the average church does. That said, we do have a Jr/Sr High Youth Ministry and a bi-weekly Children's Ministry.*

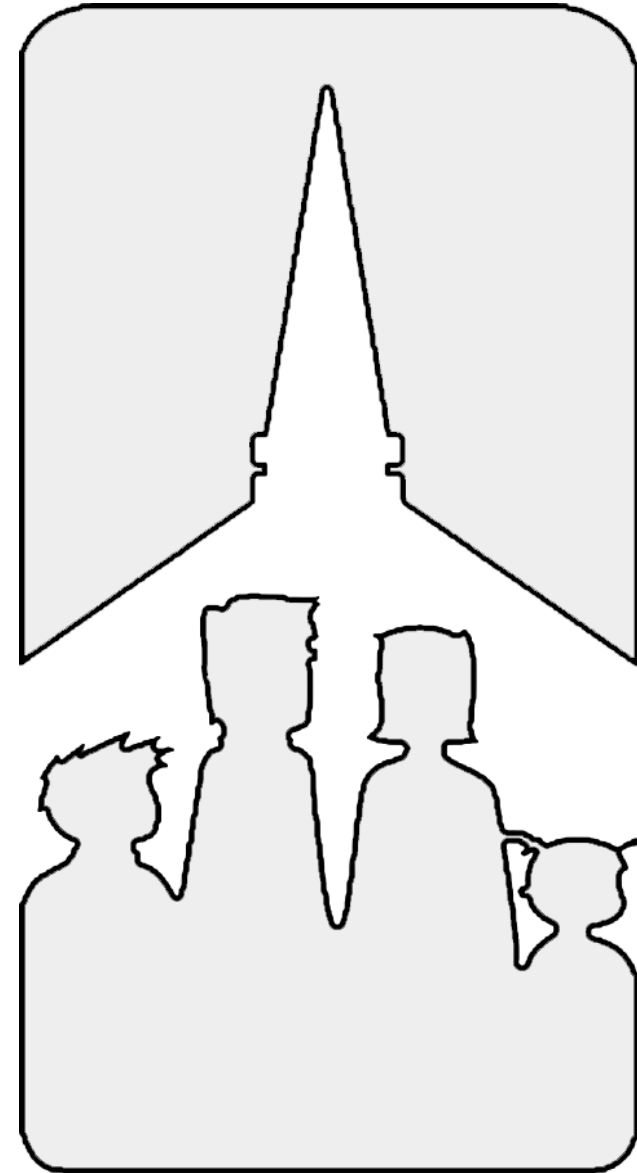

Q: *Are the pastor's available for questions and counseling?*

A: *Absolutely! Connecting with people is our calling. The Leadership here believes in Bi-Vocational ministry, which means they all have other jobs, but we will happily make every effort to connect with someone who wants some of our time.*

JURASSIC MAZE-October 31st

We are now just a little more than 5 weeks away from our outreach. Time for that Candy to come pouring in and decoration projects to start. Halloween will be here before we know it!

So ... last week's was a little confrontational. I hope you've recovered fully, fasted, prayed, and are now 100% ready to get down to the business of spreading the Gospel. It is the most important thing we can offer to the people in our lives.

As I was pondering my messages for today I was thinking further about the Church in America and the state we find ourselves in. So I sought out some statistics. While "church" growth has seemed level off and in some cases seemingly increased. The truth behind the numbers is not good. In fact ... they're abysmal.

People claiming to be Born-Again, Bible Believing, Relationship with Christ having Christians has dropped significantly. We're down about 10% in the last decade. That's a nose dive. What's worse ... far, far, far worse, is that of people claiming to be "New Believers", only 1 out of 10 understand basic Christian theological principals. Less than half believe in sin. Even fewer think Jesus is the only way to Heaven.

Let me frame it for you like this. Almost all of America's church growth is just that church growth. We have put people in our buildings ... it is not an increase of actual Christ following believers. It is faces in a crowd and members of a spiritual club that soothes their hungry spirits and eases their conscience.

We need to begin taking the sharing of our faith very seriously. We need to bring people into our churches, but they need to stay because of the Truth. We need to make sure people are being taught and instructed in the ways of the Lord. Not because of anything else. Not music, not events, not preaching, not friendships ... But because of Him. We must fulfill the great commission in the way that Christ intended.
