Frequently Asked Questions

Q: What denomination are you affiliated with?

A: We're part of the Assemblies of God Fellowship. You can find our statement of truths here. www.ag.org under the "Beliefs" tab.

Q: Are you a Bible based Christian Church?

A: Absolutely. We take the Word of God very seriously and our Pastors have dedicated their lives to proper understanding and teaching of the Scripture.

Q: What do you mean by Family Church? What is a Family Church?

A: We're a church of Christian Believers who are dedicated to the development and values of the traditional family, but who also understand that the contemporary family is often just as important, if not more important, to the people in them. As a "Family Church" we're committed to bringing both the traditional and the contemporary family together as a Spiritual Family.

Q: What kind of programs do you run for kids and families?

A: We tend to stay away from "programs" in the traditional sense, instead focusing more on what meets the needs of the individuals attending our church. To accomplish that we spend more time focusing on the kids in the services than the average church does. That said, we do have a Jr/Sr High Youth Ministry and a bi-weekly Children's Ministry.

Q: Are the pastor's available for questions and counseling?

A: Absolutely! Connecting with people is our calling. The Leadership here believes in Bi-Vocational ministry, which means they all have other jobs, but we will happily make every effort to connect with someone who wants some of our time.

Dinners with Pastor

Its been a few years since we've done these. I would like to correct that. What is a dinner with Pastor? Well it is exactly what is sounds like. We schedule a time and then do dinner. Can it be more than just an individual or couples? Sure! Is it just dinner? NOPE! Lunch, Breakfast, 11-zies. It doesn't matter. What does matter is you and Lynn and I and at least some snacks! See us today to start scheduling.

Boldly stepping out for Christ causes a lot of anxiety for people. Not perhaps the visible kind where nervousness and doubt take hold for all to see, but instead it is more often the more subtle kind that affects our decisions and our ability to walk in faith.

It is the kind that asks the question "What if God doesn't ... ?" What if He doesn't answer? What if He doesn't help? What if He doesn't come through? It is a sneaky and hard to discern fear that doesn't destroy faith. Oh no, that would be far too obvious. It is the kind that simply takes place foremost in our minds when adversity comes. It is the kind of fear that says yes to God but looks at the circumstances and sidesteps obedience with an objection. Yes, but ... Yes I will do this God, but I will do it in a way that makes me feel safe.

Unfortunately there is no adding a "but" to God's will and desires in our lives that leaves us in a state of obedience to His calling. We are either people who do things His way or we simply are not His people. When we let the subtly of anxiety creep into our lives then we push out the boldness that the Lord inspires in our souls.

Faith is so easily crushed by the circumstances of life. Remember for most of us it is a small but potentially powerful thing. Faith required to move mountains begins only mustard seed sized and can grow from there into something much larger. If it isn't hampered. And the cares of life will attempt to hamper the blossoming of your faith in every way.

So do not let the cares of this World work against the plans of your Father. Let the Kingdom of God be first in your heart. And when the King asks and commands us to carry out His will, let us do it with joy and without hesitation or trepidation. Remember things never seem to go according to our plans but in all things Christ has complete and utter control. So it is impossible for them to not go according to His. Let that thought destroy any anxiety.

But in All Things ... Pray

Philippians 4:6-7

I. What did you hear from the Word this morning?

(Your initial thoughts on the Scripture)

II. What did Pastor focus on in his message?

(Your thoughts on the Topic)

III. What is your "Take Away" from the message?

(How can you apply this to your life?)
