Frequently Asked Questions

Q: What denomination are you affiliated with?

A: We're part of the Assemblies of God Fellowship. You can find our statement of truths here. www.ag.org under the "Beliefs" tab.

Q: Are you a Bible based Christian Church?

A: Absolutely. We take the Word of God very seriously and our Pastors have dedicated their lives to proper understanding and teaching of the Scripture.

Q: What do you mean by Family Church? What is a Family Church?

A: We're a church of Christian Believers who are dedicated to the development and values of the traditional family, but who also understand that the contemporary family is often just as important, if not more important, to the people in them. As a "Family Church" we're committed to bringing both the traditional and the contemporary family together as a Spiritual Family.

Q: What kind of programs do you run for kids and families?

A: We tend to stay away from "programs" in the traditional sense, instead focusing more on what meets the needs of the individuals attending our church. To accomplish that we spend more time focusing on the kids in the services than the average church does. That said, we do have a Jr/Sr High Youth Ministry and a bi-weekly Children's Ministry.

Q: Are the pastor's available for questions and counseling?

A: Absolutely! Connecting with people is our calling. The Leadership here believes in Bi-Vocational ministry, which means they all have other jobs, but we will happily make every effort to connect with someone who wants some of our time.

Dinners with Pastor

Its been a few years since we've done these. I would like to correct that. What is a dinner with Pastor? Well it is exactly what is sounds like. We schedule a time and then do dinner. Can it be more than just an individual or couples? Sure! Is it just dinner? NOPE! Lunch, Breakfast, 11-zies. It doesn't matter. What does matter is you and Lynn and I and at least some snacks! See us today to start scheduling.

Jesus told us once that where your treasure is there your heart will be also. It is the idea that what ever we value most in the world will be where our love and loyalty lay. It is an interesting concept. One that seems rather simple on the surface but like most of the things that Christ does and says really is far deeper than most of us imagine.

First lets visit one of our favorite topics. Treasure. Now I don't need to go into details about treasure again. We've already followed that map to the X. I want to just take a moment and remind us that it is very unlikely Jesus is talking exclusively about worldly treasure. He clears that up at the end of that referenced passage when He includes the word "serve". You cannot have two masters. You cannot serve both God and money.

You see not everyone has money. And a lot of us won't really ever have money. What we do have are things we care about. Things we want to do. Things we want to be. Things that excite us. We all have those kinds of treasures. And some of us are mastered by the very things we want to have. We ultimately serve those treasures, or the pursuit of them, with far greater strength than we serve our God.

No one can serve two masters. They will love the one and hate the other.

And that is where today's passage comes into play. It is very easy for a person to discover where their heart lies. They simply have to ask themselves a question. And you know me and questions. I love a good question.

"What type of things dominates your thoughts?" Worry? Doubt? Memories? Desires? Leisure? Health? Wealth? Success? Savings? Possessions? All these emotional things can become treasures. And our ungodly pursuit of them can become servitude. And you can't serve two masters...

So what do you spend your time thinking about? Is the Lord and things of God your greatest love? Or is your treasure something else?

Where Do Your Thoughts Dwell

Philippians 4:8-9

I. *What did you hear from the Word this morning?*

(Your initial thoughts on the Scripture)

II. *What did Pastor focus on in his message?*

(Your thoughts on the Topic)

III. *What is your "Take Away" from the message?*

(How can you apply this to your life?)
